Dear Bob —

I hate to see this year come to an end, it was so much fun, in geom. 1st hr. Study hall 2<sup>th</sup> and all those moments + a few times we took a walk at noon, which I enjoyed very much, every minute — thanks for all the times you did my geom.

I sure had fun with you this year and as I remember correctly <sup>last</sup> year, too! I hope there are no hard feelings between us as I have none, I do want our friendship to continue through the year. Good luck and hope to see a lot more of you the coming year.

# class song

oh, central high, we've gained a victory,  
in these famed halls we've formed our memories  
of teachers, friends, and laughter, tears combined,  
may God bless all who made our years so fine.

now we advance to seek the future's key,  
on to a world that we will fight to free  
"today's work will be tomorrow's pay"  
never forget that God will pave the way.

— Janice Karel, Barbara Hale,  
Joan McMurtry

## ORDER OF EXERCISES

Mr. William Beaman, Jr., Presiding  
Vice-President, Board of Education

Processional March --- --- Central High School Orchestra

The Star Spangled Banner --- --- By the Audience

Prayer --- --- Brigadier John C. Kelly, Salvation Army

Commencement Address --- --- "When Dreams are Delayed"

DR. CARL E. MARTENSON  
Associate Pastor, Park Congregational Church

Song—"Goddess of the Inland Seas" --- --- Gayley

By the Audience

1 Sing no more the fair Ægean,  
Where the floating Cyclads shine,  
Nor the honeyed slopes Hyblæan,  
Nor the blue Sicilian brine  
Sing no storied realms of Morning,  
Robed in twilight memories,  
Sing the land beyond adorning  
With her zone of inland seas.

2. Here the gads of Hellas wandered  
When they left their hills and brooks  
Here a Pan was piped and pondered;  
Here the nymphs have filled the nooks;  
Here the Satyrs, without warning  
Creek upon the Naiades;  
Here the golden God of Morning  
Rises from the inland seas.

3 Now the eyes that are anointed  
See the blossom tide of spring,  
Ours the blissful age appointed,  
Ours the clime the poets sing;  
Hark, O Maid of Western Morning—  
Wave and woodland, brook and breeze  
Hail thee Queen, beyond adorning,  
Girdled with thy inland seas.

4. Lo, the sacred fires of knowledge  
In thy temples are enshrined—  
Through the cloisters of thy college  
Choruses eternal wind!  
And all other incense scorning,  
Michigan, we bring thee these  
Hearts of ours and songs of morning,  
Goddess of the Inland Seas

Presentation of Diplomas --- --- Principal Samuel R. Upton

Class Song --- Words by Barbara Hale, Janice Karel, Joan McMurtry  
Sung to the music of "God of Our Fathers"

Benediction --- --- Brigadier John C. Kelly

## Escalator' Backfire Might Aid Red Bid for U. S. Labor Helm

(By Lyle C. Wilson)

Washington — (UP) — American communists are about to persuade themselves they have found a way of working themselves back toward control of major labor unions.

They think the escalator wage contracts now in force in the automobile industry finally will destroy the union leaders who signed them. These contracts tie wages to government cost-of-living estimates, and they uniformly are for long terms.

### 3,000,000 Covered.

UAW President Walter Reuther signed a five-year escalator contract in 1950 with General Motors. Together about 3,000,000 workers are covered by such contracts. The idea has taken hold with both labor and management. One way or another it will spread.

These contracts contain a "waiver clause" which actually is a no-strike pledge by the union. The ledge is so written that it is difficult to see how even a friendly national labor relations board could deal other than harshly with union leaders who reneged on it. The Communist-dominated United Electrical, Radio and Machine

ence in clothing and housing estimates. The Communist party line is that the BLS figures are a compilation of deceit and trickery.

A Communist effort to discredit a soundly established government agency may appear to be ridiculously futile. But it might take hold if substantial dissatisfaction developed among the rank and file of union members who are bound by a long-term, no-strike contract. The Communies hope for that.

That is their immediate strategy. But for the long haul the Communists happily look forward to the day when the price index will begin to fall, the faster the better. They are confident the mass of union labor will not like wage cuts even though they are in proportion to reductions in the cost of living.

### Charge Inflation Aid.

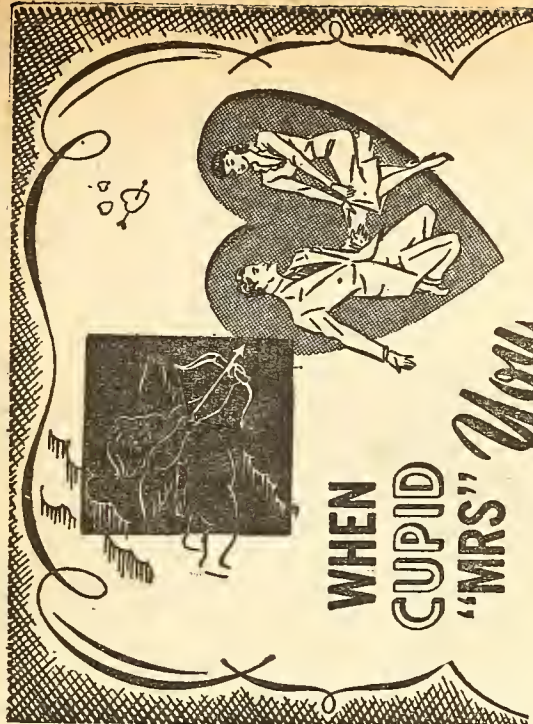

When the cuts do come, the Communists think the union leaders will have some explaining to do.

And they advance another idea which might interest everyone. The Communies say escalator wage contracts tie workers covered by them to inflation and an inflationary economy, to the big government spending methods which have kept the treasury in the red for so many years.

## A Memory in Green

Memory of Miss Eudora Estabrook (left) retiring principal of Congress School, will be evergreen and growing, for at her request the Parent-Teacher Association, instead of making her a personal gift, gave shrubs and evergreens for the schoolyard. Here Miss Estabrook surveys the shrubbery with (left to right) Paul Bast, second grad-

er, Mrs. Harold Ripley, PTA President, and Barbara Simkins of the fifth grade. Children of the school assisted the PTA in purchasing the evergreens and other shrubs for the school. At a reception Friday Miss Estabrook was also presented by the PTA with a pin denoting her life membership in the Michigan Congress of Parents and Teachers.

Will we ever forget "Rips" 1st hr. class? Just remember I gave you a <sup>index</sup> ten!! Really, it sure has

been a year full of fun. I am really kinda sorry its over but we do have next year to look forward too. Just think - eleventh grade!! Seem funny doesn't it? You're a real swell guy Bob - a real credit to the sophomore class. Keep up the good grades and you'll go far - you really are the class "brain". I saw your peek in your history book though - not to mention how many times you may have caught me peeking. Well, its been good to know ya. I'd better close now and leave some space for someone who's gonna say something. Best of luck to one who deserves the best. Have fun this summer but take it easy and don't get lost. You have a lot of admirers as ever we don't want to lose.
